

**TEMPLE COLLEGE
BUSINESS & COMMUNITY EDUCATION**

**PHOTOSHOP
for
PHOTOGRAPHERS**

ITSW 1058

This course is designed for beginning photographers wishing to correct, retouch and enhance their photographs, using the essential methods and techniques that are most vital when working with photographs, digital cameras and scanners. Key subjects taught include: adjusting and retouching images; working with selections, filters and creating special effects; performing adjustments using critical features such as curves and layer options; tips and tricks of photo manipulation and achieving the best results from your photographs. At the conclusion of this course, you will have the knowledge required to produce impressive images.

Fee: \$88 CEU's: 0.8
