

# Intermediate Conversational Spanish

Intermediate Conversational Spanish will introduce the student to vocabulary commonly encountered in many situations: work place, at home, and on the street.

The student will learn and use 4 common verb tenses:

Past,  
Future,  
Conditional,  
Imperfect Indicative.

While the class will focus on these tenses, student will also review and reinforce the tenses and verb forms from the Basic Conversational Spanish: Present, Progressive (estar + present participle) and Present Perfect (past participle), the use of Ir to form the future tense, and Tener to form commands, as well as the verbs that express desire.
