Mental Health Topics Assignment

Log in to computers

Library - Databases - Psychology & Sociology

Click on link to **Psychology and Behavioral Sciences Collection**

Type in **Acute Stress Disorder** in search box

Select full text and peer review, then enter date range of 2004 to 2009

Search. Should have around 40 articles.

To view article, click on one of the PDF Full Text links

To Print, click on the toolbar icon that looks like a printer.

Click back on browser.

To get the citation, click on article title link. Icon that looks like tan sheet of paper, click on that, APA style citation second from top. Content will be correct, but you will need to check on the line spacing and the indent on the second and subsequent lines to be sure it is the way your instructor wants them.

Click on link at top right to TEMPLE COLLEGE

Click on **Health Sciences**

Click on **HEALTH REFERENCE CENTER ACADEMIC**

Advanced Search

type **bipolar disorder** in search box
change from keyword to Document Title

select peer reviewed and documents with full text

enter date range of 2004-2009

Search - 283 articles

Look at column at left, by clicking on links, you can sort by the topic listed to reduce number of articles. Click on arrow to the right of document type and select subjects. Now scroll down the page and choose one of the subjects.

You can see the number of pages the article has by looking at the link that has PDF in it.

To get citation information, click on an article title.

To be sure you get an APA citation, click on the citation tools link in the Tools box at right.

A new window opens, select the APA style radio button, click on Save, then Open to see it. From there you can copy and paste it into your word document.

Always check the line spacing and indents to be sure they are what your teacher wants.

Click on the home icon, then Library, Databases, Health Sciences

Click on **CINAHL**

Type **Anorexia Nervosa** in the search box

Change the selection to the right to TI Title

In the limits area, select Linked Full Text

To see different sets of articles you can also select the limit to Temple College Nursing Journals, or to Ovid Full Text Nursing Journals

Enter publication dates of 2004 and 2009

Select Peer Reviewed

up to the top of the page and click on **search**

Each article has a link to full text.

Getting the citation is the same as the first database we looked at.

Look up at the top of the page, and change TI Title to MW Word in Subject Heading

Click on Search

Now there are over 60 articles, not all have the topic words in the article title, but the articles should be on the same subject.

Notice the section on the left side of the screen, under "Narrow Results by"

You can select one of the subjects there to narrow the number of articles that you look at so they will include the subject you click on.

Click on TEMPLE COLLEGE link at top right

Click on **Ovid Nursing Journals**

Click on the box to the left of Search Temple College full text journals

Click on the Open Selected Resources button

Type in the search box: Obsessive Compulsive Disorder

Click on Limits

Change the publication year toggle on the left to 2004, on the right to 2009

Click on the Search button

14 articles.

Open an article by clicking either on a PDF link or the Ovid full text link at the right side of the citation.

These are some example searches for mental health topics using our databases. I think these are good databases to begin with, but by all means look at others and search them for articles on your topic.

If you need help, ask at the circulation desk and one of the full time staff members will be glad to assist you.
