

# ADOBE CREATIVE SUITE

**Adobe Creative Suite (CC)** is a software suite of graphic design, video editing, and web development applications. The Suite, consists of several Adobe applications, e.g., Photoshop, Illustrator, InDesign, and Dreamweaver.

**Dreamweaver CC (ARTC 1000)** provides you with an easy way to create and upload web pages to the Internet. Through this hands-on workshop, you will learn:

- How to build and upload a website
- Techniques to advance to more complex Dreamweaver operations for enhancing the functionality of websites

**Illustrator CC (ITSW 1023)** is a sophisticated graphic software that helps you create logos, advertisements and other illustrations with ease. Through this hands-on workshop, you will learn how to:

- Draw and manipulate simple shapes to create logos
- Combine text and graphics to create ads

**InDesign CC (ITSW 1041)** allows you to produce and preview documents for magazines, both in print and online across mobile and desktop platforms. Through this hands-on workshop, you will learn how to:

- Piece together the layouts for multipage magazines and documents
- Enhance creative ability and interactive HTML within documents to allow web publishing

**Photoshop CC (ITSW 1058)** is an image editing software that many graphic artists and designers use. You will become familiar with image creation and editing using this software, allowing you to maximize your creative potential. Through this hands-on workshop, you will learn how to:

- Use the tools to design, enhance, and re-touch images with ease
