

# ACT PREP BOOTCAMP

CE 2038

The *AccelePrep for the ACT® Test* program narrows the focus to the most tested concepts on the ACT® exam. *AccelePrep* is intended to enhance success with winning test-taking strategies, a quick content review, and plenty of timed and untimed practice.

The *AccelePrep* program features 12 core chapters packed with strategies and tips to improve test-taking skills. Chapters introduce test mechanics for the English, math, reading, science and writing test sections, then review tested concepts and offer strategies and pacing tips. The textbook includes a full-length practice test and bonus chapters debunking test myths and offering key admissions tips.
