

Camp Objectives: Our Preseason camp is designed to give each player the skills both mentally and physically to improve their game. All aspects of the game will be covered from, hitting, pitching, base running, bunting, and defensive play. The use of video analysis will be used in the pitching and hitting aspects of the camp. Our goal is to be able to send each player home with their own video and the ability to read their actions on tape.

Camp Director: Our camp director for the Preseason High School Evaluation Camp is Frank Kellner. Frank is the current assistant baseball coach at Temple College, and a former professional baseball player of 8 years with the Houston Astros organization and the Milwaukee Brewers organization. Frank also comes to Temple College after serving 4 years as the hitting coach at Louisiana Tech University.

Camp Staff: Our camp staff will consist of current Temple College players

Overview: This is a great opportunity for the surrounding high school players to gain a wealth of knowledge and get a jump-start on their upcoming baseball season.
