

LEGAL STATUS FOR THE TEMPLE COLLEGE DISTRICT

The legal status for the Temple College District can be found in its original charter, pertinent acts of the State Legislature, and the rules, regulations, and bylaws formally adopted by the Board of Trustees, not inconsistent with any State law or Federal laws and regulations. In the interest of time and space, each of these bases for legal status is briefly described in the handbook, and documentation is provided so that the reader can go to the original and complete source. Both the Temple College Library and the President's Office house such documents.
