

ATHLETICS COMMITTEE

Function and Purpose:

The purpose of the Athletics Committee is to periodically review the intercollegiate athletics program at Temple College and to make recommendations regarding the program to the Director, Athletics and the President. The committee will review the academic progress of student athletes; research and recommend student success best practices, strategies, and interventions for student athletes; review Title IX compliance, and may also make recommendations regarding the hiring of the athletic director or coaches, the promotion of the athletics program and events, and fund-raising to support athletics.

Composition:

Voting Members

- Chairperson (selected by the Committee)
- Five members of the faculty (Selected by the Faculty Council to serve 2-year terms) two members selected in even years and three selected in odd years.
- Two members of the professional staff (appointed by the President)
- Two members of the classified staff (appointed by the Classified Staff committee)
- Two student members selected by the Student Government

Non-Voting Members

- Vice President, Educational Services
- Two members appointed by the Athletic Director

Ex Officio

- Director, Athletics
- Head Coaches, Athletic Sport

The Committee meets on dates agreed on by the Committee members or on-call by the Chair.
