

## DISTRICT BOUNDARIES AND SERVICE AREAS

From 1926 to 1986, the boundaries of the Temple College (TC) District were coterminous with the boundaries of the Temple Independent School District (TISD) and automatically changed as the boundaries of the TISD changed. On April 5, 1986, the voters of the City of Temple and the TC District approved a proposition, which annexed all territory in the City not currently within the boundaries of the TC District. Since 1986, the TC District has annexed all the territory added by the City. The TC Board may annex City property by Board Resolution. However, it should be noted that while TC shares the boundaries of both the City and the TISD, the College is a separate legal entity in all respects.

In May 2011, the citizens within the boundaries of the Hutto Independent School District in Hutto, TX, voted to establish a branch campus maintenance tax with Temple College to support the maintenance and operation of a higher education center in Hutto, TX.

Temple College serves the following 17 ISDs:
