

Dear Student,

Temple College has received an allocation of funding through the Federal CARES Act for emergency student aid. The College is utilizing that aid to provide \$300 grants to qualifying students this spring. You are receiving this letter because you have qualified for the grant.

You may use your grant funds in whatever way best meets your individual needs, but we strongly encourage you to spend the funds on technology and other costs related to the disruption of campus operations and the shift to online courses this spring due to coronavirus.

Take care, and stay safe.

Warm Regards,
