Faculty Council Report to the Temple College Board of Trustees
June 2021

Temple College is one of the colleges selected to participate in the White House COVID-19 Challenge! It was an honor to be invited to participate in the first webinar of the program on June 11th. It was amazing to be on a webinar with so many colleges and universities around the country meeting to address one issue – Covid vaccination.

Many ideas were shared on how to encourage students to get the vaccine. We heard from student leaders from University of Alabama at Birmingham, Wellesley College, USC, and many more. It was inspiring to hear of the accomplishments of these student leaders with getting their peers to become vaccinated.

There is a website that was presented that provides a LOT of information on this initiative. I encourage you to visit the **We Can Do This** site at [https://wecandothis.hhs.gov/](https://wecandothis.hhs.gov/). “The HHS COVID-19 public education campaign is a national initiative to increase public confidence in and uptake of COVID-19 vaccines while reinforcing basic prevention measures such as mask wearing and social distancing. Through a nationwide network of trusted messengers and consistent, fact-based public health messaging, the campaign helps the public make informed decisions about their health and COVID-19, including steps to protect themselves and their communities.” (from the website)

Be sure to check out the resources and materials on the website to assist with increasing public knowledge and confidence for vaccination to attempt to vaccinate 75% of all Americans by July 4th, 2021. There is also an opportunity to join the COVID-19 Community Corps.

**The COVID-19 Community Corps** *(Information from the hhs website)*

“Our best path out of the COVID-19 pandemic is for every American to get a COVID-19 vaccination as soon as it’s available to them.

You’re invited to support the effort by joining the COVID-19 Community Corps. As a member, you’ll receive timely, accurate information to share with your family, friends, and neighbors. By encouraging them to get vaccinated, you’ll help protect them – and allow all of us to safely gather together again.

As a Corps member, you’ll get resources to help you build vaccine confidence in your community, including:

- Fact sheets on vaccine safety, tips on how to talk with friends and family about the importance of vaccination, hints for planning and attending community events, social media content to share with your followers and regular email updates with the latest vaccine news and resources to share.

I am now a COVID-19 Community Corps member and encourage you to do the same! The fastest road to “getting back to normal” is through vaccination. Let’s be part of that solution for our campus and our community!

- BCE will offer MS Excel training to Temple College staff. The Center for Teaching and Learning Committee has identified a need for this training based on staff survey results.

Division of Fine Arts
- The Music Department recently reported their retention efforts for fall 2020 and spring 2021, including over 600 individual faculty contacts (via email, phone call, text, Zoom meetings) made with freshmen music majors.
- Kaiya Fowler, sophomore music major, was named a Top 3 Finalist in the Women’s Musical Theatre category of the spring NATS (National Association of Teachers of Singing) competition.
- The Fine Arts Division celebrated the retirements of long-tenured professors Al Alford (Speech/Theatre) and Dave Hansen (Photography) with a "Happy Trails" BBQ in May.
- The Speech, Humanities, Drama, and Dance Department has created an Advisory Board to consider an AA Musical Theatre degree beginning fall 2022.
- The Visual Arts Department would like to thank the Board for their support of the bond that will provide them with a much-needed space upgrade. No more retrofitted Western Wear store!
- This summer, the Music Department will host their first in-person performances since March 2020. The Symphonic Band will perform at 6 p.m. on Thursday, June 17 at Santa Fe Plaza in downtown Temple. Vocal Point will perform a Musical Theatre Revue on Tuesday, August 3 at 8 p.m. at the Sam Farrow Lions Park Amphitheater.

Division of Liberal Arts
In Social Sciences II, Department Chair Chad Smith has hired a new dual-credentialed government/economics instructor, Austin Johnson; a new economics instructor, Duy Nguyen; and a new government instructor, Daniel Brown.

In English and Foreign Languages, Department Chair Joanna Scott is currently conducting a search for a new English instructor.

Division of Math, Science, and Physical Education
The Department of Chemistry and Physical Sciences has hired two new faculty who will begin in the fall semester.
**eLEARNING**

**D2L Course Management**
- Spring semester close out – eLearning is providing gradebook support and any last minute assistance to faculty for miscellaneous issues.
- Fall semester D2L course shells are scheduled for release in mid-June; usually release around June 6, will delay a week to ensure that summer is working.

**Ellucian Intelligent Learning Platform (iLP)**
- **Test Environment**
  - Summer 2021 term shells were built correctly, and we continued to query and run diagnostics.
  - Faculty and student enrollments appear to be populating correctly from Datatel/Colleague to D2L.
- **Production Environment**
  - Summer 2021 term shells built correctly on May 6.
  - Due to Ellucian ILP architecture, one course section per course shell is created in D2L, a change from previous design which allowed multiple sections of one course type/one faculty to remain in a course shell. Faculty will have to adapt new course shell designs.
  - To assist faculty, Christa Quigley is creating Master Course shells as requested by faculty who want to work on new course designs, reorganize lessons, test new interactive activities and assessments, and update curriculum without disturbing current course shells. She has received 15 requests to-date.
  - Cross-listed courses are built; however, “orphans” are also created for each course. Hopefully D2L Support can resolve by fall semester.
  - The Nursing Department requires RNSG and VNSG course shells to be combined because of the “team teaching model”. eLearning was able to come up with solution to group nursing courses together in D2L for RNSG and VNSG courses only with multiple faculty assignments.

**Vendor Management**
- **Publisher Integrations**
  - FA Davis for Medical Terminology (HITT) courses
  - Vista Higher Learning for Spanish (SPAN) courses
  - Elsevier for Medical Coding Program (CMA)
  - Examsoft update of integration codes for Medical Professions courses (EMS, DMSO, SRGT, RNSG, VNSG)

**Digital Higher Education Consortium of Texas (DigiTex)**
- Christa Quigley is working with Mandy Hart to determine the feasibility of partnering with Acadeum to fill gaps for students needing MATH-1350 Fundamentals of Mathematics I, MATH-1350 Fundamentals of Mathematics II, SPAN-2311 Intermediate Spanish I and SPAN-2312 Intermediate Spanish II.
- Information will be shared with the Acadeum Regional Vice President of Academic Partnerships once the review is complete.
- Christa is also reviewing information on TEL Education, a non-profit who partners with institutions to offer courses through our the home campus LMS instead of the teaching institution’s LMS to improve student success with consistent course delivery.
Student Success
Open Education Resources (OER)
- Christa is reviewing OER webinar information provided by Softchalk in support of OER/ZTC initiatives and offerings in anticipation of the resumption of the Student Success Council meetings.

Strategic Plan
- eLearning is working on scheduling of Face-to-Face eLearning Workshops for New Students for upcoming fall semester new students. These workshops will be in addition to the online tutorials offered to new students on our eLearning web page.

Committees
Proctored Testing Committee
- Solutions Sub-Committee
  - Brian St. Amour is leading this sub-committee. A kickoff meeting was conducted on April 29. Agenda items included discussing pros and cons of current Honorlock solution; identifying and revisiting faculty and student requirements - technical (devices), internet, browser, social, security, privacy; identify and review other possible solutions - Examsoft, Proctorio, or other software.
  - We are re-evaluating Honorlock as well as a few other solutions including new D2L solution partner IntegrityAdvocate. We are extending current contract with Honorlock from August 7 to end of fall semester to avoid disruption to faculty returning to campus in the fall. Live Zoom meeting training sessions for faculty new to Honorlock and those who wish to refresh their skills are scheduled for May 26 and August 11.
  - IntegrityAdvocate is an attractive solution due to its focus on student privacy and retention of only flagged alerts of possible cheating; this is important due to legal and privacy stories currently making the news.

INSTITUTIONAL EFFECTIVENESS

Adhoc Data Requests

- The Business Management Department requested email addresses for all students currently enrolled in any business course. These addresses will be used for contacting students about an employment opportunity.

- Institutional Research (IR) ran a report for Dr. Robbin Ray to show all co-enrolled TC and TSTC students. This is a monthly report Robbin is currently doing manually.

Assessment

- IR worked with John Stevens to pull Integrated Reading and Writing (INRW) developmental data for reporting purposes to the Texas Higher Education Coordinating Board (THECB). The benchmark for 2020-21 was 75%. We are identifying and calculating percentages for that purpose. Next year the benchmark is 100%, so there will not be any stand-alone developmental courses, which will eliminate the need to track the percentage of enrolled students in co-requisites.

- Reviews of assessment reports have begun and will continue into the first week of June. Peer reviews will be conducted in June.

Grants

- IR is working with Roberta Wright on an HSI STEM grant for the Foundation. These data consist of enrollment, completion numbers for the college and for TBI, and retention rates, all disaggregated by ethnicity.

Committees

- Center for Teaching and Learning: Planning for the staff summer summit continues. Kim George and Joy Row have recruited presenters for both the faculty and staff summit. The Staff Summit will offer training for administrative assistants and departmental schedulers in Colleague, Google, PDF form creation, Outlook, and other topics such as equity. Both summits are offering relevant and up-to-date training for our staff and faculty. The Staff Summit will occur on June 8; the Faculty Summit will occur on June 9.

- Alumni and Friends meeting was held on May 4 to review and revise the association bylaws. This process is ongoing.

Planning and Processes

- With approval from Brandon Bozon, Joy Row created and posted a link to an open records request form. This change will formalize the process of outside organizations and persons requesting data. This form will go to Laura Hutchens and IR. Laura will approve the request and collect payment. IR will complete the request.
Surveys
- Curriculum Committee Faculty Representative Ballot – this survey was used for Curriculum Committee members to elect a faculty representative for 2021-22.
- Quality Enhancement Plan (QEP) Faculty Survey – Created by Jennie Dilworth to gauge faculty perceptions of student performance and the success of the 8-week QEP—75 faculty members completed the survey.
- Chair and Director Evaluation – This is an annual evaluation for faculty to evaluate their department chair and division director.
- Administrative Services/IT survey on computers – This survey was requested by Brandon Bozon for the purpose of collecting computer data on all current TC employees. This will help determine replacement timelines and budget demands for doing so. This survey was sent to 540 employees with all employees required to complete the survey. Presently, 263 employees have completed the survey.

the Issuer's obligations with respect to payment of principal of and interest on the Bonds to the extent
of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration
Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of
principal and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar
of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede
& Co., and subject to the provisions in this Order with respect to interest checks being mailed to the
Registered Owner at the close of business on the Record date, the words "Cede & Co." in this Order
shall refer to such new nominee of DTC.

(h) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the
event that the Issuer determines that DTC is incapable of discharging its responsibilities described
herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the
beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall (i)
appoint a successor securities depository, qualified to act as such under Section 17A of the Securities
and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of
such successor securities depository and transfer one or more separate Bonds to such successor
securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of
Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their
DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the
Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the
name of the successor securities depository, or its nominee, or in whatever name or names Registered
Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this
Order.

(i) Payments to Cede & Co. Notwithstanding any other provision of this Order to the
contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all
payments with respect to principal of and interest on such Bond and all notices with respect to such
Bond shall be made and given, respectively, in the manner provided in the representation letter of
the Issuer to DTC.

(j) Cancellation of Initial Bonds. On the closing date, one initial Bond representing the
entire principal amount of the Bonds, payable in stated installments to the order of the initial
purchaser of the Bonds or its designee, executed by manual or facsimile signature of the Chair and
Secretary of the Board, approved by the Attorney General of Texas, and registered and manually
signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such
purchaser or its designee. Upon payment for the initial Bond, the Paying Agent/Registrar shall
cancel the initial Bond and deliver to The Depository Trust Company ("DTC") on behalf of such
purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate
principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as
nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's
FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying
Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

(k) Conditional Notice of Redemption. With respect to any optional redemption of the
Bonds, unless certain prerequisites to such redemption required by the Order have been met and
moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be
redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice
of redemption, such notice shall state that said redemption may, at the option of the Issuer, be
conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying
Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth
in such notice of redemption. If a conditional notice of redemption is given and such prerequisites
to the redemption and sufficient moneys are not received, such notice shall be of no force and effect,
the Issuer shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the
manner in which the notice of redemption was given, to the effect that the Bonds have not been
redeemed.
Section 5. FORM OF BONDS. The form of the Bonds, including form of the initial Bond, the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Bonds initially issued and delivered pursuant to this Order, shall be, respectively, substantially as follows, with such appropriate variations, omissions, or insertions as are permitted or required by this Order. The FORM OF BOND shall be completed with information set forth in the Pricing Certificate and shall be attached to the Pricing Certificate as an exhibit thereto.

*THE BONDS* of this series maturing on __________ may be redeemed on __________, or on any date thereafter, in whole or in part prior to their scheduled maturities, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part (provided that a portion of a Bond may be redeemed only in an integral multiple of $5,000 of principal amount). The Bonds selected for redemption shall be redeemed at the redemption price of the principal amount of such Bonds called for redemption, plus accrued interest thereon to the date fixed for redemption. The Issuer shall determine the maturity or maturities, and the principal amount of Bonds within each maturity, to be redeemed. If less than all Bonds of a maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Paying Agent/Registrar at random and by lot.

(1) Final maturity of Bond.

The principal amount of the Term Bonds required to be redeemed pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the Issuer by the
principal amount of any Bonds of the stated maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the Issuer at a price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and cancelled by the Paying Agent/Registrar at the request of the Issuer with monies in the Interest and Sinking Fund at a price not exceeding the principal amount of the Bonds plus accrued interest to the date of purchase thereof, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory sinking fund redemption requirement.

*AT LEAST 30 DAYS* prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity, the Issuer shall cause written notice of such redemption to be sent by United States mail, first class, postage prepaid, to each Registered Owner of a Bond to be redeemed, in whole or in part, at the address of the Registered Owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing of such notice. Any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Registered Owner. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof that are to be so redeemed. If such written notice of redemption is mailed and if due provision for such payment is made, all as provided above, the Bonds or portions thereof that are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of $5,000, at the written request of the Registered Owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Bond Order.

*ALL BONDS OF THIS SERIES* are issuable solely as fully registered Bonds, without interest coupons, in the denomination of any integral multiple of $5,000 or any integral multiple thereof. As provided in the Bond Order, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form
of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer or exchange with respect to Bonds (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

**IN THE EVENT** any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

**IT IS HEREBY** certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of the Issuer, issued on the full faith and credit thereof; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the Issuer, and have been pledged for such payment, without limit as to rate or amount.

**THE ISSUER ALSO HAS RESERVED THE RIGHT** to amend the Bond Order as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Bonds.

**BY BECOMING** the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Order, agrees to be bound by such terms and provisions, acknowledges that the Bond Order is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Order constitute a contract between each registered owner hereof and the Issuer.
IN WITNESS WHEREOF, the Issuer has caused this Bond to be signed with the manual or facsimile signature of the Chair of the Board of Trustees of the Issuer and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees of the Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Bond.

"TEMPLE COLLEGE DISTRICT" (the "Issuer"), being a political subdivision located in

(Information for the Bonds from the Pricing Certificate to be inserted.)

of a 360-day year of twelve 30-day months) from the _________ at the respective Interest Rate per
annum specified above. Interest is payable on _________, and on each _________ and
__________, thereafter to the date of payment of the principal installment specified above, or the date

(iii) The initial Bond shall be numbered "T-1".

Section 6. TAX LEVY.

(a) Tax Levy. A special Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the Issuer at an official depository bank of the Issuer. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the Issuer, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds, plus accrued interest on the Bonds from the dated date thereof to the Issuance Date, shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the governing body of the Issuer shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of its Bonds as such principal matures; and said tax shall be based on the latest approved tax rolls of the Issuer, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the Issuer for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds as such interest comes due and such principal matures, provided that the aggregate annual bond taxes in the Issuer shall never exceed the rate of fifty cents on the one hundred dollar valuation of taxable property in the Issuer.

(b) Security Interest. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the Registered Owners of the Bonds a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing of a security interest in said pledge to occur.
Section 7. DEFEASANCE OF BONDS.

(a) **Defeasance.** Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the Registered Owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) **Investment and Disposition of Funds.** Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) **Defeasance Securities.** The term "Defeasance Securities" means (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or
instrumentality of the United States of America, including obligations that are unconditionally
guaranteed or insured by the agency or instrumentality and that, on the date of the purchase thereof
are rated as to investment quality by a nationally recognized investment rating firm not less than
AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality,
or other political subdivision of a state that have been refunded and that, on the date the governing
body of the Issuer adopts or approves the proceedings authorizing the financial arrangements, are
rated as to investment quality by a nationally recognized investment rating firm not less than AAA
or its equivalent and (iv) any other then authorized securities or obligations under applicable state
law in existence at the time of such defeasance that may be used to defease obligations such as the
Bonds.

(d) Paying Agent/Registrar Services. Until all Defeased Bonds shall have become due and
payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such
Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper
arrangements to provide and pay for such services as required by this Order.

(e) Selection of Defeased Bonds. In the event that the Issuer elects to defease less than all
of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to
be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 8. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost,
stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered,
a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost,
stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated,
lost, stolen, or destroyed Bonds shall be made by the Registered Owner thereof to the Paying
Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the Registered Owner
applying for a replacement bond shall furnish to the Issuer and to the Paying Agent/Registrar such
security or indemnity as may be required by them to save each of them harmless from any loss or
damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the
Registered Owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their
satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of
a Bond, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the
Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the
event any such Bond shall have matured, and no default has occurred which is then continuing in the
payment of the principal of or interest on the Bond, the Issuer may authorize the payment of the same
(without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a
replacement Bond, provided security or indemnity is furnished as above provided in this Section.
(d) **Charge for Issuing Replacement Bonds.** Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the Registered Owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) **Authority for Issuing Replacement Bonds.** In accordance with Subchapter B, Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 4(b) of this Order for Bonds issued in conversion and exchange for other Bonds.

**Section 9. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; ENGAGEMENT OF BOND COUNSEL; USE OF CUSIP NUMBERS; CONTINGENT INSURANCE PROVISION, IF OBTAINED.**

(a) The Chair of the Board of Trustees of the Issuer is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owners of the Bonds.

(b) The obligation of the initial purchaser to accept delivery of the Bonds is subject to the initial purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Bonds to the initial purchaser. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed. The execution and delivery of an engagement letter between the Issuer and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Chair of the Board of Trustees and the Chair of the Board of Trustees is hereby authorized to execute such engagement letter.
Section 10. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.

(a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any, are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any, then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --
(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any), proceeds of the refunded bonds expended prior to the date of issuance of the Bonds and any replacement funds administered by the Texas State Board of Education as part of the Permanent School Fund. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In
the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the President or the Vice President, Administrative Services/Chief Financial Officer of Temple College of the Issuer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Allocation of, and Limitation on, Expenditures for the Project. The Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Order (the "Project") on its books and records in accordance with the requirements of the Internal Revenue Code. The Issuer recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the Issuer recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The Issuer agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The Issuer covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bonds. For purpose of the foregoing, the Issuer may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(f) Reimbursement. This Order is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

Section 11. SALE OF BONDS; OFFICIAL STATEMENT.

(a) To achieve advantageous borrowing costs for the Issuer, the Bonds shall be sold on a negotiated, placement or competitive basis as determined by the Pricing Officer in the Pricing Certificate. In determining whether to sell the Bonds by negotiated, placement or competitive sale,
the Pricing Officer shall take into account any material disclosure issues which might exist at the
time, the market conditions expected at the time of the sale and any other matters which, in the
judgment of the Pricing Officer, might affect the net borrowing costs on the Bonds.

(i) If the Pricing Officer determines that a Series of the Bonds should be sold at
a competitive sale, the Pricing Officer shall cause to be prepared a notice of sale and official
statement in such manner as the Pricing Officer deems appropriate, to make the notice of sale
and official statement available to those institutions and firms wishing to submit a bid for the
Bonds, to receive such bids, and to award the sale of the Bonds to the bidder submitting the
best bid in accordance with the provisions of the notice of sale.

(ii) If the Pricing Officer determines that the Bonds should be sold by a negotiated
sale or placement, subject to the provisions of Sections 1 and 3 hereof, the Pricing Officer
shall designate the purchaser or purchasers for the Bonds as the Pricing Officer deems
appropriate to assure that the Bonds are sold on the most advantageous terms to the Issuer.
The Pricing Officer, acting for and on behalf of the Issuer, is authorized to enter into, deliver
and carry out a bond purchase contract, placement agreement or other agreement for the
Bonds to be sold by negotiated sale or placement, with the purchaser or purchasers at such
price, with and subject to such terms as determined by the Pricing Officer pursuant to Section
3(b) above. The Bonds shall initially be registered in the name of the purchaser thereof as
set forth in the Pricing Certificate.

(b) The Issuer hereby approves the Preliminary Official Statement relating to the Bonds
as presented to the Board of Trustees with such changes therein or additions thereto (and any
addenda, supplement or amendment thereto) as the Pricing Officer may deem advisable. Such
Pricing Officer is hereby authorized, in the name and on behalf of the Issuer, to approve, distribute,
and deliver Such Preliminary Official Statement and a final Official Statement relating to the Bonds
to be used by the Underwriters in the marketing of the Bonds.

Section 12. FURTHER PROCEDURES. The Chair, Vice Chair or Secretary of the Board
of Trustees of the Issuer, the President or the Vice President, Administrative Services/Chief
Financial Officer of Temple College of the Issuer, the Pricing Officer and all other officers,
employees and agents of the Issuer, and each of them, shall be and they are hereby expressly
authorized, empowered and directed from time to time and at any time to do and perform all such
acts and things and to execute, acknowledge and deliver in the name and under the corporate seal
and on behalf of the Issuer all other instruments, whether or not herein mentioned, as may be
necessary or desirable in order to carry out the terms and provisions of this Order, the Letter of
Representations, the Bonds, the sale of the Bonds and the Official Statement. Notwithstanding
anything to the contrary contained herein, while the Bonds are subject to DTC’s Book-Entry Only
System and to the extent permitted by law, the Letter of Representations is hereby incorporated
herein and its provisions shall prevail over any other provisions of this Order in the event of conflict.
In case any officer whose signature shall appear on any Bond shall cease to be such officer before
the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes
the same as if such officer had remained in office until such delivery.
Section 13. COMPLIANCE WITH RULE 15c2-12.

(a) Annual Reports. (i) The Issuer shall provide annually to the MSRB, within six months after the end of each fiscal year, financial information and operating data with respect to the Issuer of the general type included in the final Official Statement authorized by Section 11 of this Order, being the information described in the Pricing Certificate. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in the Pricing Certificate, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the Issuer commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the Issuer shall provide unaudited financial statements by the required time and will provide audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such statements become available. Such information shall be transmitted electronically to the MSRB, in such format and accompanied by such identifying information as prescribed by the MSRB.

(ii) If the Issuer changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Issuer otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC.

(b) Material Event Notices. The Issuer shall notify the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of ten business days after the occurrence of the event, of any of the following events with respect to the Bonds:

M. The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material within the meaning of the federal securities laws;

N. Appointment of a successor or additional trustee or the change of name of a trustee, if material within the meaning of the federal securities laws;

P. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Board in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers of the Board in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board, and (b) the Board intends the words used in the immediately preceding paragraphs (O) and (P) and the definition of Financial Obligation in this Section to have the meanings ascribed to them in SEC Release No. 34-83885, dated August 20, 2018.

The Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide
financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection.

(c) Limitations, Disclaimers, and Amendments. (i) The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Issuer in any event will give the notice required by subsection (b) hereof of any Bond calls and defeasance that cause the Issuer to no longer be such an "obligated person".

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the Issuer so
amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

Section 14. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Order subject to the following terms and conditions, to-wit:

(a) Amendment without Consent of Registered Owners. The Issuer may from time to time, without the consent of any Registered Owner, except as otherwise required by paragraph (b) below, amend or supplement this Order to (i) cure any ambiguity, defect or omission in this Order that does not materially adversely affect the interests of the Registered Owners, (ii) grant additional rights or security for the benefit of the Registered Owners, (iii) add events of default as shall not be inconsistent with the provisions of this Order and that does not materially adversely affect the interests of the Registered Owners, (v) qualify this Order under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (iv) make such other provisions in regard to matters or questions arising under this Order as shall not be materially inconsistent with the provisions of this Order and that shall not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Registered Owners.

(b) Amendment with Consent of Registered Owners. Except as provided in paragraph (a) above, the Registered Owners of a majority in aggregate principal amount of the Bonds then outstanding that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the Registered Owners in aggregate principal amount of the then outstanding Bonds, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Order or in any of the Bonds so as to:

(1) Make any change in the maturity of any of the outstanding Bonds;

(2) Reduce the rate of interest borne by any of the outstanding Bonds;

(3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Bonds;

(4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Bonds or any of them or impose any condition with respect to such payment; or

(5) Change the minimum percentage of the principal amount of the Bonds necessary for consent to such amendment.
(c) **Notice of Amendment.** If at any time the Issuer shall desire to amend this Order under this Section, the Issuer shall send by U.S. mail to each Registered Owner of the affected Bonds a copy of the proposed amendment.

(d) **Receipt of Consent to Amendment.** Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the Registered Owners of at least a majority in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment (or 100% if such amendment is made in accordance with paragraph (b)), which instrument or instruments shall refer to the proposed amendment and which shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) **Effect of Amendment.** Upon the adoption of any amendatory Order pursuant to the provisions of this Section, this Order shall be deemed to be modified and amended in accordance with such amendatory Order, and the respective rights, duties, and obligations of the Issuer and all Registered Owners of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) **Duration of Revocation of Consent.** Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of such consent and shall be conclusive and binding upon all future Registered Owners of the same Bond during such period. Such consent may be revoked at any time after six months from the date of said consent by the Registered Owner who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the Registered Owners the required amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) **Reliance on Registration Bonds.** For the purposes of establishing ownership of the Bonds, the Issuer shall rely solely upon the registration of the ownership of such Bonds on the Registration Books kept by the Paying Agent/Registrar.

Section 15. **INVESTMENTS; SECURITY FOR FUNDS.**

(a) **Investment Earnings.** Interest earnings derived from the investment of proceeds from the sale of the Bonds issued for the purposes described in subsection (a) of this Section shall be used for the purposes for which such Bonds are issued as set forth in Section 1 hereof; provided that after completion of such purposes, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on bond proceeds which are required to be rebated to the United States of America pursuant to Section 10 hereof in order to prevent the Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

(b) **Authorized Investments.** The Issuer may place proceeds of the Bonds issued for the purposes described in subsection (a) of this Section (including investment earnings thereon) and
amounts deposited into the Interest and Sinking Fund in investments authorized by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; provided, however, that the Issuer hereby covenants that the proceeds of the sale of such Bonds will be used as soon as practicable for the purposes for which such Bonds are issued.

(c) **Security for Funds.** All deposits authorized or required by this Order shall be secured to the fullest extent required by law for the security of public funds.

Section 16. DEFAULT AND REMEDIES.

(a) **Events of Default.** Each of the following occurrences or events for the purpose of this Order is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the Registered Owners of the Bonds, including, but not limited to, their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the Issuer.

(b) **Remedies for Default.**

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Registered Owners under this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Bonds then outstanding.

(c) **Remedies Not Exclusive.**

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.
(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Bond authorized under this Order, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Order do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the Issuer or the Board of Trustees.

Section 17. APPROPRIATION. To pay the debt service coming due on the Bonds, if any, prior to receipt of the taxes levied to pay such debt service and not otherwise paid from the proceeds of the Bonds, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Section 18. GOVERNING LAW. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 19. SEVERABILITY. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Order would have been enacted without such invalid provision.

Section 20. PAYMENT OF ATTORNEY GENERAL FEE. The Issuer hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of the Bonds or (ii) $9,500, provided that such fee shall not be less than $750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The appropriate member of the Issuer's staff is hereby instructed to take the necessary measures to make this payment. The Issuer is also authorized to reimburse the appropriate Issuer funds for such payment from proceeds of the Bonds.

Re: Approval of bond underwriting firm selections

Staff Recommendation: Approval

Multiple investment banks contacted Temple College leading up to, and shortly after, the successful bond election to offer their underwriting services for the College’s bond sale. Due to the size of the proposed bond issuance, Temple College staff determined it would be in the College’s best interest to release a Request for Qualifications (RFQ) in order to compile a pool of qualified underwriting firms. The RFQ was posted on May 8, 2021 with responses due on May 24, 2021. The College received 21 responses.

The responses were reviewed by a committee comprised of VP for Administrative Services/CFO, Brandon Bozon, AVP Finance, Susan Allamon, Director of Purchasing Brian Supak, and Jennifer Ritter, Managing Director at Specialized Public Finance. The firms were scored based upon the following criteria, which was outlined in the RFQ:

Banks that achieved an average score of 80 or more were determined the be the most qualified. These six banks are recommended for consideration and inclusion in the College’s qualified pool:

- Jefferies LLC
- J.P. Morgan
- Piper Sandler

- Citigroup
- Ramirez & Co
- FHN Financial
It is anticipated that the College will need the underwriting services of four banks for its 2021 bond sale. Six banks have been recommended for inclusion in the qualified pool in the event that one or more of the banks declines or becomes ineligible to participate as part of the underwriting syndicate.

Upon board approval of the qualified pool, College staff will work with the College’s Financial Advisor to finalize the underwriting syndicate, selecting a bank to serve as the senior manager for the transaction and three others to serve as co-managers.

If authorized by the Board of Trustees, the qualified pool will be valid for a period of five years. This will allow the College to utilize the underwriting services of any of the six banks for any bond sale that occurs prior to June 21, 2026.
