

Dear Student,

Temple College has received an allocation of funding through the Federal Higher Education Emergency Relief Fund act for emergency student aid. The College is utilizing that aid to provide grants to qualifying students this fall. You are receiving the letter because you have qualified for the grant. If you opted to apply your grant to your account balance, you will see it posted in the financial aid section of your student account statement on Self Service.

If you did not apply your grant to your account, or if your grant was greater than your charges and fees, then you will receive a distribution of your grant balance this week. You may use your grant funds in whatever way best meets your individual needs, but I strongly encourage you to spend the funds on technology and other costs related to the disruptions caused by COVID-19.

Take care, and stay safe.

Warm Regards,
