

# Obstetric Volunteer Physician Consent

## Temple College Diagnostic Medical Sonography

- There is **no charge** for this sonogram.
- Due to Covid-19, you are not allowed to bring anyone with you to your appointment. Your images will be projected on a closed circuit TV for you to watch when available. You may bring a flash drive with you to take home images.
- Your visit will take approximately one hour. You must be at least 18 yrs. old
  - A student will spend approximately 45 minutes to 1 hr scanning you.
  - The instructor may spend an additional 15 minutes scanning you.
- Please do not bring food or drink to the lab.

### To be eligible for this sonogram you must meet the following requirements:

Your physician or their designee is required to complete and sign this form giving us permission to do this procedure. You should bring this signed form with you to the ultrasound lab. **We will not do the sonogram without this signed form.**

Available days and times vary per semester. **This is by appointment only.** Please call to schedule your sonogram: 254-298-8652.

- 
- I am giving Temple College's Diagnostic Medical Sonography Program permission to perform an obstetric sonogram on my patient \_\_\_\_\_.
  - I understand this sonogram will be performed for teaching purposes only.
  - I understand this will not be a complete exam and is not intended to be a diagnostic exam and a report will not be generated with this scan.
    - This patient is in her 1<sup>st</sup> trimester and has not had an anatomy scan.
    - This patient had a normal anatomy sonogram on \_\_\_\_\_.
