Application Guidelines

Office of Student Accommodations (OSA)
One College Centre RM 1474

Fax: 254-298-8329 Phone: 254-298-8335 2600 S. 1st St. Temple, TX 76504

I. Student requesting accommodations must meet/speak with the Coordinator of Student Accommodations.

Misty Reid
One College Centre – Rm 1474
Ph. 254-298-8335
Fax 254-298-8329 – ATTN: Misty Reid
misty.reid@templejc.edu

- II. Once you have disclosed your disability and requested accommodations with the OSA coordinator, you will need to complete the following forms:
 - Request for Documentation of Disability and Disability Documentation Guideline paperwork – page 2 and 3
 - Depending on the disability, current documentation may need to be updated annually.
 - 2. Application for Services Form page 4
 - 3. Accommodations Request Form page 5
 - 4. Student Disability Handbook Acknowledgment Page page 6
 - 5. Permission to Collect Information page 7
- III. Once all documentation is received, the coordinator and student will decide which accommodations are reasonable and appropriate. The coordinator will write a letter specifying those accommodations. The letter will be then emailed to the student and to all requested instructors. It is the student's responsibility to ask for letters of accommodation every semester. It is recommended that all requests be turned in at least 2 weeks before the start of classes. If you have any questions, please contact the accommodations coordinator.

Disability Documentation Guidelines

Documentation should be from a licensed/certified professional qualified to diagnose/assess and identify the student's disability.

Type of Disability

Type of Documentation Needed:

Acquired Brain Injury: (deficit in brain functioning resulting in loss of cognitive, communicative, motor, psychological, and/or sensory/perceptual abilities). Seek documentation from: Neurologist, Neuropsychologist or Physician	 Cognitive rehabilitation report/neurological assessment/medical report documenting the disability OR Description of the injury and impact on cognitive functions. How might the injury affect the person's participation and performance in college/school setting? Recommended Accommodations.
Developmentally Delayed Learner: (below average intellectual functioning and potential for measurable achievement in instruction and employment settings). Seek documentation from: Psychiatrist, Psychologist, Educational Diagnostician.	 Psychological report (including standard scores for WAIS III or IV, ISC III, or WJ II Cog and any recent achievement testing) OR Full and Individual Evaluation (FIE) from prior high school Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form.
Hearing Impairment: (loss of hearing function which impedes language, educational, social, and/or cultural interactions). Seek documentation from: Audiologist or Certified Otologist	 Current audiogram documenting the disability OR Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form.
Learning Disability (average to above average intellectual ability; severe processing deficit; sever aptitude-achievement discrepancy; and measured achievement) Seek documentation from: Educational or Clinical Psychologist; School Psychologist, Psychiatrist, or Educational Diagnostician	 Psychological report documenting the disability including: Index, scale, factor & cluster, standard scores for either WAIS IV, WISC IV, or WJ III Cognitive AND Achievement test standard scores (usually WIAT or WJ III) OR Full and Individual Evaluation (FIE) from prior high school Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form.
Mobility Impairment: (serious limitation in locomotion and/or motor function). Seek documentation from: Physician; Nurse Practitioner	 Medical report documenting the disability OR Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form.
Psychological Disability: (persistent psychological/psychiatric disorder; emotional or mental illness). See documentation from: Psychiatrist; Psychologist MFCC or MSW; OR Physician	 Psychological report documenting the DSM Code and Axis OR Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form, and include DSM code.
Speech and Language Impairment: (disorders of voice, articulation, rhythm, and/or receptive and expressive processes). Seek documentation from: • Speech and Language Pathologist.	 Speech/Language report documenting the disability OR Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form.
Visual Impairment: (total or partial loss of sight). Seek documentation from: Ophthalmologist; Optometrist	 Current vision test documenting the disability OR Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form.
Other Disability: (does not fall into any of the above disabilities but indicates a need for support services). Such as: Chronic medical conditions, autism spectrum, ADHDSeek documentation from: Psychologist, Psychiatrist, or Physician	 Medical or professional report documenting the disability OR Have the licensed or certificated professional complete the Temple College OSA Disability Documentation form
