

COMMERCIAL DRIVER'S LICENSE (CDL)

CVOP 1013 and CVOP 1040

The commercial truck driver training program is 210 hours long – 70 hours are spent in the classroom learning rules and regulations of the road, dynamics of vehicle operations and safe operating procedures. An additional 140 hours are spent in the cab of a commercial truck learning how to park, back and maneuver through traffic. The following learning objectives are covered in the curriculum:

- Department of Transportation (DOT) rules and regulations
- Logbooks
- Safety
- Vehicle inspection
- Operator maintenance
- Starting and stopping
- Shifting and clutch control
- Backing
- Parallel parking

Course Schedule

New classes start every two weeks.

Course Cost

\$6,995

Plus the cost of a drug test, physical, background check, and learner's permit
