

MEMORANDUM OF UNDERSTANDING

Temple College Dual Credit Program(s)

2018-2019 (FY19)

COLLEGE DISTRICT:	INDEPENDENT SCHOOL DISTRICT (ISD):
Temple College (TC)	Thrall Independent School District

The institutions named above seek to expand access to higher education and workforce training in their local communities through college credit, certificate, or non-certificate courses agreed upon by the institutions.

Both parties agree to adhere to the policies and procedures of each organization, to work expediently to resolve any situations in which the institutional policies or procedures may conflict and to review the relationship represented in the MOU each year.

TYPE OF AGREEMENT

- ❑ Restricted high school courses for eligible high school students only, offered on high school campus via face-to-face or electronic delivery.
- ❑ High school students, with ISD or parental permission, may take TC courses at a TC campus or Center(s) via face-to-face or electronic delivery.

GENERAL PROVISIONS/ TEMPLE COLLEGE DUAL CREDIT PROGRAM

DEFINITIONS

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.83.

- **Dual Credit** – A system under which an eligible high school student enrolls in college course(s) and receives credit for the course(s) from both the college and the high school. While dual credit courses are often taught on the secondary school campus to high school students only, applicable sections of these rules, §4.84(a) and §4.85(a), (b), (g), (h), (i) of this title (relating to Dual Credit Partnerships), apply irrespective of location or mode of delivery. Dual credit is also referred to as concurrent course credit; the terms are equivalent. This differs from how the term “concurrent enrollment” is used (see below).
- **Dual Enrollment** – (previously referred to as dual or concurrent enrollment)--Refers to a system under which a student is enrolled in more than one educational institution (including a high school and a public institution of higher education). When a student in a dual enrollment system enrolls in courses that student earns appropriate course credit from each distinct educational institution that offered the course. Dual enrollment is not equivalent to dual credit.
- **Articulated College Credit** – Credit earned through a high school-level course that fulfills specific requirements of an identified college-level course and provides a pathway for high school students to earn credit toward a technical certificate or technical degree at a partnering institution of higher education. A course that is part of an Articulation Agreement between an ISD and TC. Credit is awarded after high school graduation, and after the student enrolls at TC and successfully completes six (6) hours of college credit further meeting all requirements of the Articulation Agreement.

- **International Baccalaureate Diploma Program** – The curriculum and examinations leading to an International Baccalaureate diploma awarded by the International Baccalaureate Organization.
- **College Board Advanced Placement** – College-Level courses and exams available to secondary students under the auspices of an approved College Board (5) College Board Advanced Placement--College-Level courses and exams available to secondary students under the auspices of an approved College Board program.
- **Early College Education Program** – A program as defined in TEC 29.908.
- **Early College Program**--A program developed via an institutional agreement in partnership between a public institution of higher education and high schools or school districts in which a student enrolls in courses that are part of a defined sequence of courses leading to a Board-approved certificate, AA, AS, or AAS degree program as defined in *Title 19, Part 1, Chapter 9, Rule 9.1 - Definitions of Texas Administrative Code*.

STUDENT ELIGIBILITY

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

1. A high school student is eligible to enroll in academic dual credit courses if the student:
 - 1.1. demonstrates college readiness by achieving the minimum passing standards under the provisions of the Texas Success Initiative as set forth in *Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter C; Rule §4.57* of this title (relating to College Ready and Adult Basic Education (ABE) Standards) on relevant section(s) of an assessment instrument approved by the Board as set forth in *Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter C; Rule §4.56* of this title (relating to Assessment Instrument); or
 - 1.2. demonstrates that he or she is exempt under the provisions of the Texas Success Initiative as set forth *Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter C; Rule §4.54* of this title (relating to Exemptions, Exceptions, and Waivers).
 - 1.3. A high school student is also eligible to enroll in academic dual credit courses that require demonstration of TSI college readiness in reading, writing, and/or mathematics under the following conditions:
 - 1.3.1. Courses that require demonstration of TSI college readiness in reading and/or writing:
 - 1.3.1.1. if the student achieves a Level 2 final recommended score, as defined by the Texas Education Agency (TEA), on the English II State of Texas Assessment of Academic Readiness End of Course (STAAR EOC); or
 - 1.3.1.2. if the student achieves a combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the reading test; or
 - 1.3.1.3. if the student achieves a composite score of 23 on the PLAN with a 19 or higher in English or an English score of 435 on the ACT-Aspire.
 - 1.3.2. Courses that require demonstration of TSI college readiness in mathematics:
 - 1.3.2.1. if the student achieves a Level 2 final recommended score, as defined by TEA, on the Algebra I STAAR EOC and a passing grade in the Algebra II course; or
 - 1.3.2.2. if the student achieves a Level 2 final recommended score, as defined by TEA, on the Algebra II STAAR EOC; or
 - 1.3.2.3. if the student achieves a combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the mathematics test; or
 - 1.3.2.4. if the student achieves a composite score of 23 on the PLAN with a 19 or higher in mathematics or a mathematics score of 431 on the ACT-Aspire.

2. A high school student is eligible to enroll in workforce education dual credit courses contained in a Level 1 certificate program, or a program leading to a credential of less than a Level 1 certificate, at a public junior college or public technical institute and shall not be required to provide demonstration of college readiness or dual credit enrollment eligibility.
 - 2.1. A high school student is eligible to enroll in workforce education dual credit courses contained in a Level 2 certificate or applied associate degree program under the following conditions:
 - 2.1.1. Courses that require demonstration of TSI college readiness in reading and/or writing:
 - 2.1.2. if the student achieves a Level 2 final recommended score, as defined by TEA, on the English II STAAR EOC; or
 - 2.1.3. if the student achieves a combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the reading test; or
 - 2.1.4. if the student achieves a composite score of 23 on the PLAN with a 19 or higher in English or an English score of 435 on the ACT-Aspire.
 - 2.2. Courses that require demonstration of TSI college readiness in mathematics:
 - 2.2.1. if the student achieves a Level 2 final recommended score, as defined by TEA, on the Algebra I STAAR EOC and a passing grade in the Algebra II course; or
 - 2.2.2. if the student achieves a Level 2 final recommended score, as defined by TEA, on the Algebra II STAAR EOC; or
 - 2.2.3. if the student achieves a combined score of 107 on the PSAT/NMSQT with a minimum of 50 on the mathematics test; or
 - 2.2.4. if the student achieves a composite score of 23 on the PLAN with a 19 or higher in mathematics or a mathematics score of 431 on the ACT-Aspire.
 - 2.3. A student who is exempt from STAAR EOC assessments may be otherwise evaluated by an institution to determine eligibility for enrolling in workforce education dual credit courses.
 - 2.4. Students who are enrolled in private or non-accredited secondary schools or who are home-schooled must satisfy paragraphs (1) - (4) of this subsection.
 - 2.5. To be eligible for enrollment in a dual credit course offered by a public college, students must meet all the college's regular prerequisite requirements designated for that course (e.g., a minimum score on a specified placement test, minimum grade in a specified previous course, etc.).
 - 2.6. An institution may impose additional requirements for enrollment in courses for dual credit that do not conflict with this section.
 - 2.7. An institution is not required, under the provisions of this section, to offer dual credit courses for high school students.
3. All students enrolled in college courses are subject to all College policies and procedures.

TUITION AND FEES:

Dual Credit students are eligible to receive a tuition discount of \$30 per semester hour for In-District and \$60 per semester hour for Out-of-District

2018-2019 Academic Year: In-district tuition at Temple College is \$99 per SCH. Out-of-district is \$172 per SCH. Non-resident \$334 per SCH.

Tuition and fees may not be waived for any student for the following types of courses: audited courses, non-credit courses, and developmental education courses. Dual credit students taking strictly online delivered courses will receive the dual credit tuition discount including the waiving of fees but have to pay the out-of-district tuition rate if student residence is not established within the taxing district. **Note: Students may also be subject to paying any differential tuition or fee costs**

associated with or charged to special courses (example: Medical Terminology).

Tuition and fee charges that are to be paid at registration are due at that time. Registration is not complete until all payments have been made. Other charges are due upon request.

Payment of tuition and fees may be made by cash, check, money order, Visa, MasterCard, Discover Card, American Express, or installment plan.

The Dual Credit program tuition discount and or waiving of any related fees are subject to change by the TC Board of Trustees. All tuition, charges, and fees are subject to change by action of the Board of Trustees, as they deem advisable.

FACULTY QUALIFICATIONS

Faculty Selection, Supervision, and Evaluation.

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

1. The college shall select instructors of dual credit courses. These instructors must be regularly employed faculty members of the college or must meet the same standards (including minimal requirements of the Southern Association of Colleges and Schools Commission on Colleges) and approval procedures used by the college to select faculty responsible for teaching the same courses at the main campus of the college.
2. The college shall supervise and evaluate instructors of dual credit courses using the same or comparable procedures used for faculty at the main campus of the college.
 - 2.1. All instructors must meet the minimum requirements as specified by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).
 - 2.2. The College shall select, supervise, and evaluate instructors for courses that result in the award of college dual credit.
 - 2.3. Instructors must meet the same standards, review, evaluation, and approval procedures used by the College to select faculty responsible for teaching the same courses at a main campus or Center of TC.
 - 2.4. Instructors, even if employed by and paid by the ISD, must be supervised in instructional matters by the TC Department Chair and must meet all administrative and evaluation requirements.
 - 2.5. Official transcripts of instructors must be kept on file at Temple College.

LOCATION AND STUDENT COMPOSITION OF CLASSES

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

1. Dual credit classes may be taught on the college campus, on the high school campus, or via distance online learning. For dual credit courses taught exclusively to high school students on the high school campus and for dual credit courses taught electronically, public colleges shall comply with applicable rules and procedures for offering courses at a distance. In addition, dual credit courses taught electronically shall comply with the Board's adopted Principles of Good Practice for Courses Offered Electronically. Dual credit courses may be composed of dual credit students only or of dual and college credit students. Exceptions for a mixed class, which would also include high school credit-only students, may be allowed only under one of the following conditions:
 - 1.1. If the course involved is required for completion under the State Board of Education High School Program graduation requirements, and the high school involved is otherwise unable to offer such a course.

- 1.2. If the high school credit-only students are College Board Advanced Placement or International Baccalaureate students
- 1.3. If the course is a career and technology/college workforce education course and the high school credit-only students are earning articulated college credit.

SERVICES FOR STUDENTS WITH DISABILITIES

Temple College abides by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, which states: “No otherwise qualified person shall, on the basis of a disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic or other postsecondary education aid, benefits, or services.” In order for students with disabilities to receive accommodations from TC, students must provide TC’s Office of Student Accommodations with current (within three years of enrollment at TC) documentation of disability. Documentation consists of a statement or evaluation from a recognized medical professional. The Individualized Education Plan used for public school students may not substitute for the documentation specified above. High school personnel will make students aware that if a student has a documented disability that may influence their performance and for which they may require accommodations, the student must register (self-identify) with and provide documentation of their disability to the Office of Student Accommodations at Temple College.

ELIGIBLE COURSES

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

1. Courses offered for dual credit by public two-year associate degree-granting institutions must be identified as college-level academic courses in the current edition of the Lower Division Academic Course Guide Manual adopted by the Board or as college-level workforce education courses in the current edition of the Workforce Education Course Manual adopted by the Board.
2. Courses offered for dual credit by public universities must be in the approved undergraduate course inventory of the university.
3. Public colleges may not offer remedial and developmental courses for dual credit.
4. See “Attachment A” for courses offered through Temple College and the Texas Bioscience Institute Dual Credit Program(s).

ACADEMIC POLICIES AND STUDENT SUPPORT SERVICES

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

1. Regular academic policies applicable to courses taught at the college's main campus must also apply to dual credit courses. These policies could include the appeal process for disputed grades, drop policy, the communication of grading policy to students, when the syllabus must be distributed, etc.
2. Students in dual credit courses must be eligible to utilize the same or comparable support services that are afforded college students on the main campus. The college is responsible for ensuring timely and efficient access to such services (e.g., academic advising and counseling), to learning materials (e.g., library resources), and to other benefits for which the student may be eligible.

TRANSCRIPTING OF CREDIT

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

For dual credit courses, high school, as well as college credit, should be transcribed immediately upon a student’s successful completion of the performance required in the course.

FUNDING

Reference: Texas Administrative Code; Title 19; Part 1; Chapter 4; Subchapter D; Rule 4.85.

1. The state funding for dual credit courses will be available to both public school districts and colleges based on the current funding rules of the State Board of Education and the Texas Higher Education Coordinating Board.
2. The college may only claim funding for students getting college credit in the core curriculum, career and technical education, and foreign language dual credit courses. This provision does not apply to students enrolled in approved early college education programs under TEC 29.908.
3. All public colleges, universities, and health-related institutions may waive all or part of tuition and fees for a Texas high school student enrolled in a course for which the student may receive dual course credit.
